Subject : Announcement of Survival Human Rights and Understanding of MobiDollar Release

Greetings,

In 2019, ISEA Foundation agreed on the usage of the Blockchain currency, MobiDollar and 'the Seven Key Elements of Survival Human Rights' (<https://gbfccom.com/survival-human-right/>) in U.N. Geneva Conference, where some Governors, representatives of IGOs, and NGOs from each country participated.

Also, in 2020, the documents titled 'Survival Human Rights Protection and COVID-19 care fund by Blockchain Cryptocurrency of MobiDollar' was approved as a statement of the U.N. General Assembly

ISEA Foundation will hold an online roundtable on December 10, 2020. The representatives of interested organizations can send us event-related videos in less than two minutes by November 25th.

The theme of the roundtable is the Seven Key Elements of Survival Human Rights (Right to Food, Right to Sleep, Right to Emergency Medical Service, Right to Movement, Right to Communication, Right to Education and Right to Information) which are in accordance with U.N. 2030 Agenda.

We are also planing to lead on a change from political perspectives of existing human rights to environmental perspectives.

ISEA Foundation will provide COVID-19 care fund: MobiDollar, MobiCoins to allow the participants to partially purchase COVID-19 quarantine products on Mobizmall with COVID-19 care fund

Furthermore, we would like to inform that the foundation is in the process of distributing MobiDollar mainly to 510 cities and appointing organizations to be in charge of the operations according to the foundation's policy.

Thank you for your kind support,
Sincerely,
